KITTOPIA™

FILLED WITH THOUGHTFUL DETAILS
AND MODERN CONVENIENCES

Preparing a homecooked dinner can be daunting, especially after a busy workday. Kittopia, Skyline's newest innovative kitchen design, puts everything you need right where you need it. A beautifully appointed room designed and filled with thoughtful details and modern conveniences, Kittopia makes every meal a special occasion.

YOU'VE ARRIVED

COOK

The stainless steel stove with front controls, available in gas or electric, and a European-style range hood, offer even more of Kittopia's signature metallic flair and functionality. With a dual spice rack/utensil holder hovering just above the stove, a great meal will always be within reach.

A GREAT MEAL WILL ALWAYS
BE WITHIN REACH

WASH

The stainless steel farmhouse sink with a black-and-brushed-nickel faucet elevates Kittopia's style and convenience factors with timeless lines and an array of add-ons. The sink comes equipped with a colander, drying rack, cutting board and protective base rack to help prevent scuffs and scratches.

EFFORTLESSLY ENTERTAIN

Kittopia brings comfort to your everyday culinary experience. Access kitchenware with ease, thanks to horizontal pull-up cabinets with LED lighting and glass inserts. Effortlessly entertain with features like an above-refrigerator wine rack, adjustable TV and a movable utility island.
